SONG OF THE LONG MARCH (CHAPTER I)

卷一

CLANK!

Tang's
Capital-
Chang
An

All lands
under heaven
belong to the realm,
all lives within the
realm serve the
Emperor.

Beneath the sky,
as far as the eye can see
and beyond, the most
majestic capital city of
them all - Chang An -
is still as bustling as ever.

It's lovely
their collection of books
and beautiful vases.

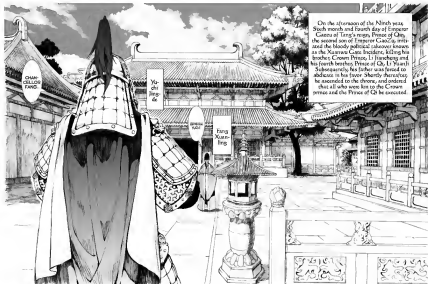

Grandpa
loves to converse with the city.

It's a shame
she's a young lady but
only recently stuck
into.

We are so proud
of our brilliant past,
and we are so proud
of our brilliant future.
We are so proud
of our brilliant future.

CHANG-CELLOR FANG

CHANG-CELLOR FANG

Fang Xuan-ling

On the afternoon of the Ninth year, Sixth month and fourth day of Emperor Gaozu of Tang's reign, Prince of Qin, the second son of Emperor GaoZu, initiated the bloody political takeover known as the Xuanwu Gate Incident, killing his brother Crown Prince, Li Hengchang and his fourth brother, Prince of Qi, Li Yuanli. Subsequently, his father was forced to abdicate in his favor. Shortly thereafter, he ascended to the throne, and ordered that all who were kin to the Crown prince and the Prince of Qi be executed.
